

Playing with Sus Chords

These are great chords for adding variety to your playing and songs. They are widely used in rhythm playing. Play the ones below, strumming each one 4 times.

□ = sus note

| | | | | |
|---|--|--|--|--|
| 1 | | | | |
| 2 | | | | |
| 3 | | | | |
| 4 | | | | |

Theory note:

Sus or suspended chords are made by removing the 3rd tone from the regular chord and replacing it with the 4th tone. I.e Csus4 has an F and no E.
