

Diminished Chords

The diminished chord sounds great and is used in all kinds of music especially jazz and blues. Try these examples strumming each one four times.

1	G 	Edim 	Am 	D 
2	C 	Ebdim 	Dm 	G 
3	D 	F# Dim 	Em 	A 
4	Am 	Bdim 	F 	G 

Try to play each progression without stopping strumming
